

BRINGING IT HOME

EXPLORING THE BENEFITS OF HOME DIALYSIS

Are you considering home dialysis? Join us for a **FREE** 1-hour webinar to learn about the reality of this life-changing treatment. Nephrologist Ramin Sam, MD, will discuss the home dialysis modality. Patients and a care partner with first hand experience will share valuable information about their personal success and experiences with home dialysis. Learn how to thrive and take charge of your health with home dialysis!
